WITH A FIRST LOOK

BRIDAL DETAILS

1:00 - 2:00

Every bride loves having those beautiful photos of her details. It is an important part of your story! During this part of the day, we jump back and forth between details and capturing photos of the girls getting ready.

BRIDAL PREP

2:00 - 2:30

It can take longer than expected to put on a wedding dress - do a practice run! Also, be sure that your bridesmaids and mother-of-the-bride are dressed and ready to go so they look put together in these images.

FIRST LOOK

2:40

This is one of my favorite parts of the wedding day! Watching couples have their first look brings me right back to our wedding day and this sweet moment.

BRIDESMAIDS AND GROOMSMEN

3:50 - 4:05

We'll be efficient by taking photos of the ladies ahead of time. We'll do the same with the groomsmen, and we'll photograph the full wedding party after the ceremony.

PORTRAITS

2:45 - 3:45

With a first look, you'll have an hour for portraits of just the two of you. This is your day after all. We'll work together to create some gorgeous portraits in beautiful light!

BRIDAL PORTRAITS

4:10 - 4:20

Girl, it is your time to shine! Hold that bouquet, bat those eyelashes, and feel stunning in your wedding dress!

Make sure the girls have their bouquets ready and the gentlemen are pinned with their boutineers! It is time for the wedding party photos. We'll be sure to grab photos of you with each bridesmaid (or groomsman) too!

CEREMONY

The time is here! It is time to get married! Take a deep breath and enjoy this time. Say your "I do's" and cherish these moments.
